### Visiting with us today?

#### We want to say "thanks" with a gift of *The Story*

*The Story* follows the main storyline of the Bible and reads like a novel. There are no verse references, and Scripture segments are seamlessly woven together with transition text into a single grand narrative. The Story can help readers understand God's story from Genesis to Revelation and how their own stories intersect with God's. To receive your gift copy just fill out a Connect Card which can be found under your seat and give it the volunteer at the Visitors Center after the Service this morning.

### Mini Series Two – God Pursues His People

### Chapter Thirteen The King who had it All Pastor Gus Gill 1-6-2019

**Review:** God's vision is to come down and be with us in a beautiful garden. The first two people reject God's vision and are escorted from Paradise. Their decision introduces sin into the human race and keeps us from community with God. At this moment God gives a promise and launches a plan to get us back. The rest of the Bible is God's story of how he kept that promise and made it possible for us to enter a loving relationship with him.

God has chosen a nation through whom he will bring the One who will save us and bring us back to God. Until Jesus comes God is busy **preserving** the nation, **revealing** more about Himself to them and **preparing** them and the whole world for the Savior
